<sup>1</sup> Includes final demand construction, not shown separately.

<sup>2</sup> Does not include food and beverages for immediate consumption, which are defined as the service of preparing meals, snacks, and beverages to customer order for immediate on-premises and off-premises consumption.

<sup>3</sup> Trade indexes measure changes in margins received by wholesalers and retailers.

<sup>4</sup> Relative importance, December 2013.

Note: With the release of data for January 2014, Bureau of Labor Statistics transitioned from the Stage of Processing (SOP) to the Final Demand-Intermediate Demand (FD-ID) aggregation system. The FD-ID system expands coverage in its aggregate measures beyond that of the SOP system through the addition of services, construction, exports, and government purchases. For details, see Producer Price Index release dated February 19, 2014.
